Fichas de Comunicação Alternativa

Material complementar do guia *Arquitetura Infantil: reinventando os espaços*

Esse documento está organizado em duas partes: nas primeiras páginas, você encontrará os ícones agrupados no tamanho usual para a elaboração de prancha de Comunicação Alternativa. Nas páginas seguintes, você encontrará 71 fichas, cada uma com um ícone de Comunicação Alternativa em tamanho ampliado e seu nome escrito em português com fonte ampliado e contraste.

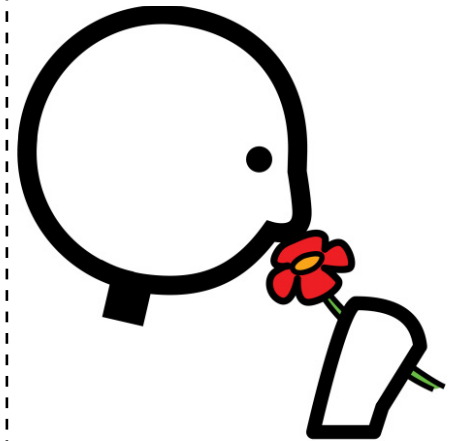

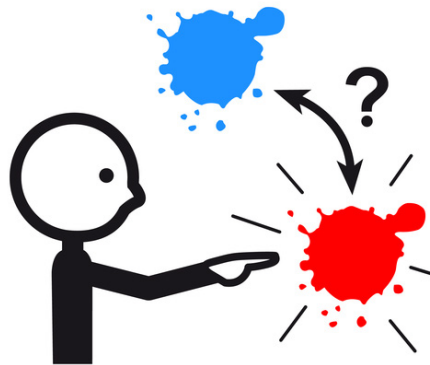

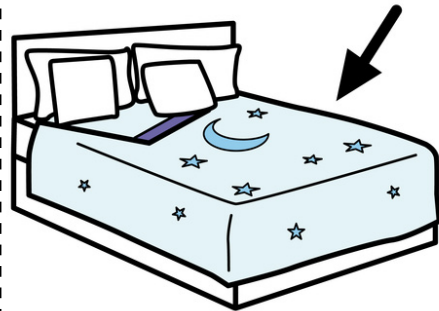

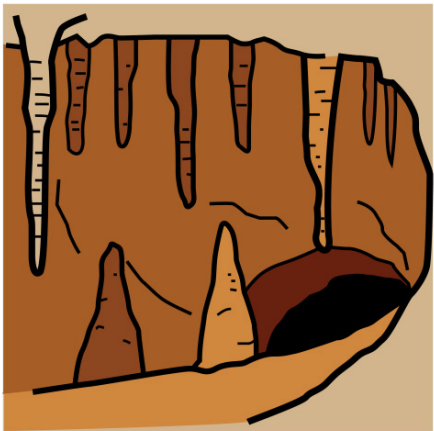

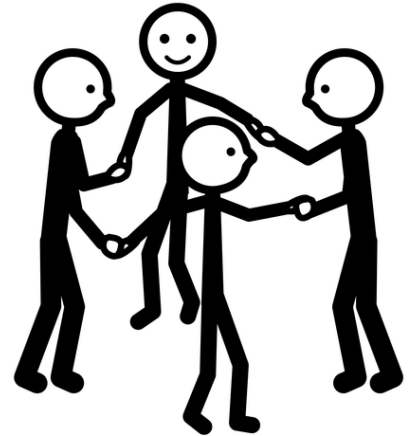

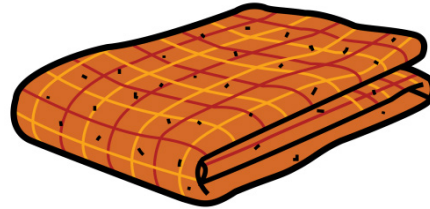

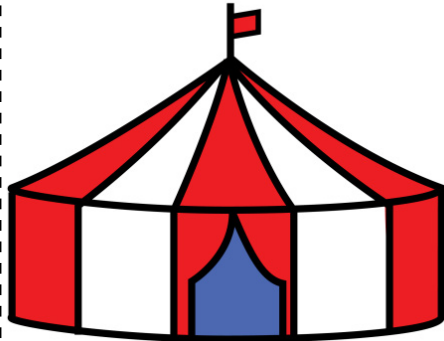

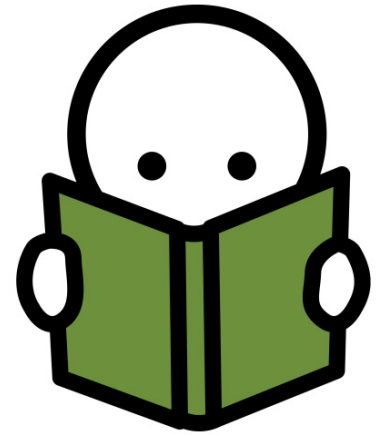

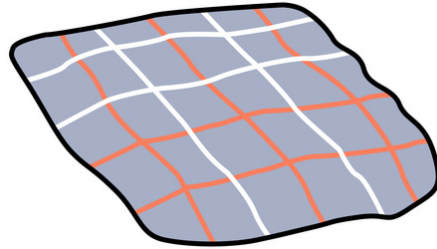

Além de usá-las para Comunicação Alternativa, você pode inventar brincadeiras e jogos como jogo da memória, mímica, adivinhação, dominó e o que mais a imaginação permitir.

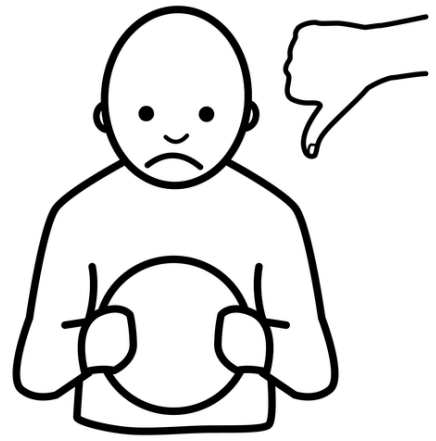

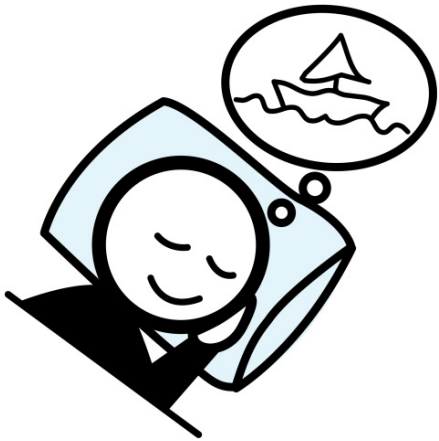

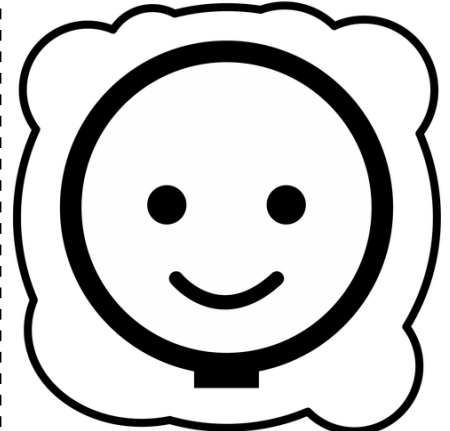

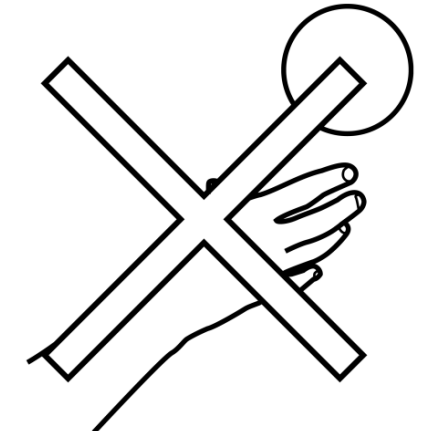

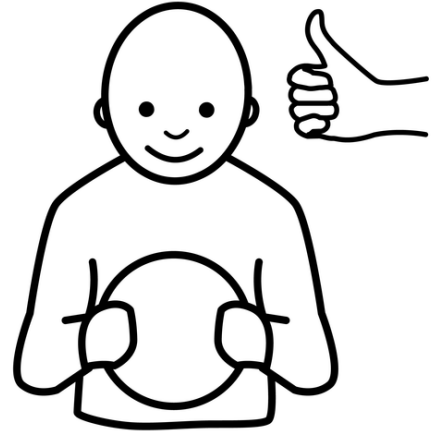

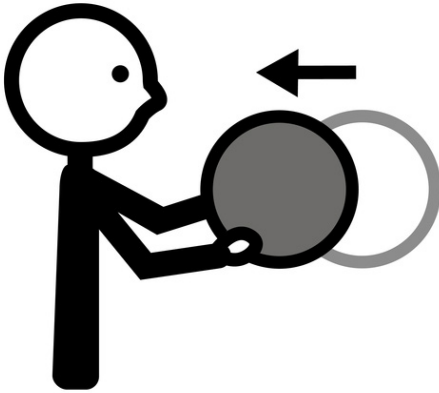

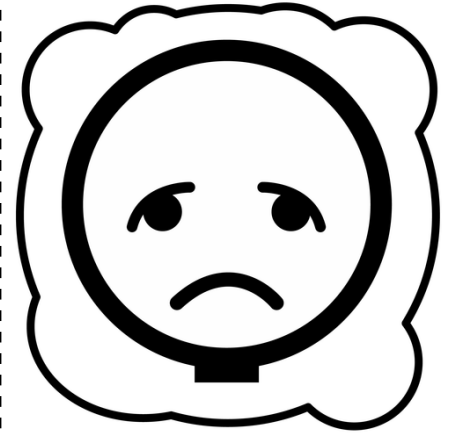

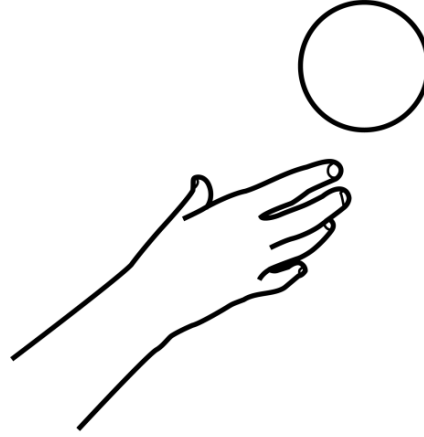

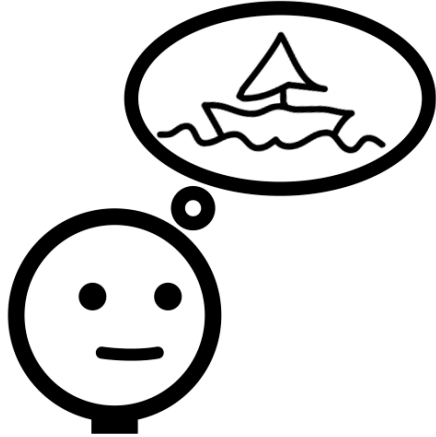

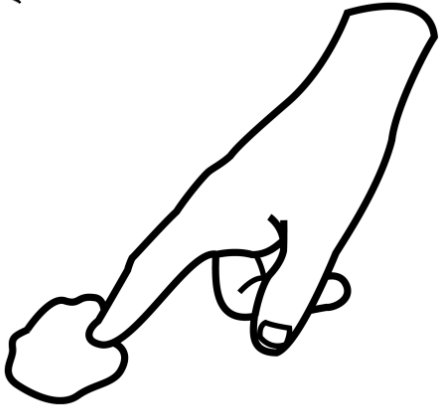

Este material faz parte do Projeto Brincar, iniciativa da Fundação Grupo Volkswagen, concebido e implementado pela Mais Diferenças em parceria com a Secretaria Municipal de Educação de São Paulo.

Sobre o Projeto Brincar

O Projeto Brincar é uma iniciativa da Fundação Grupo Volkswagen em parceria com a Secretaria Municipal de Educação de São Paulo, concebida e desenvolvida pela Mais Diferenças. Desde 2017, o Projeto propõe a criação e experimentação de práticas pedagógicas inclusivas de maneira a contribuir com a qualidade das políticas públicas de Educação Infantil ofertadas a todas as crianças, com e sem deficiência. Em 2020, o Brincar foi reconhecido em âmbito internacional pela iniciativa Zero Project, que premia práticas inovadoras voltadas à garantia dos direitos das pessoas com deficiência no mundo.
